The Mill Pond

For centuries, Comber Mill was known as a Mill Village, with a linen bleach green, corn mills, a flour mill and associated mill ponds at the heart of the town. The Mill Pond at Comber is now the centrepiece to the final phase of this exclusive development of 3 and 4 bedroom homes, and 2 bedroom apartments. These beautiful homes have been designed and built by our award winning team at Dunlop Homes, finished to an exacting standard. The homes at The Mill Pond have been designed with you in mind. We've created homes that are bright and airy, with an open plan feel. Downstairs, the reception hall leads to the living spaces, including the kitchen/living space with stunning French doors leading to the private enclosed garden. The designer-led kitchen is fully fitted and all integrated appliances including oven, hob, extractor fan, fridge freezer and dishwasher are included. There's also a cloakroom with our signature cabinetry in the hall for those boots, coats and other seasonal essentials. Upstairs you'll find three or four bedrooms, the master bedroom has an en suite shower room. There's also a family bathroom, making life a little easier in the mornings. And of course, life at The Mill Village comes with exclusive access to our stunning private swimming pool, sauna and gym set within the original Mill building.
